

CERTIFICATE OF GUARANTEE

10 YEAR WORKMANSHIP GUARANTEE

Based in Penzance with a strong eye for detail, prioritising the customer's wants and needs.

Mounts Bay Roofing guarantees the workmanship of the roofing work described below for a period of **ten (10) years** from the date of completion, subject to the terms and conditions overleaf. Should any defect arise during that period as a direct result of faulty workmanship, we will return and put it right at no cost to you.

Andreas Calleja-Stayne, Proprietor
Date: _____

Customer acknowledgement
Name: _____
Date: _____

Please keep this certificate safe with your invoice. Both are required to make a claim.

10 Year Workmanship Guarantee

Terms and Conditions

1. What this guarantee covers

Mounts Bay Roofing (“we”, “us”) guarantees that the roofing work described on the certificate has been carried out in a proper and workmanlike manner. If, within ten years of the completion date, a defect appears in that work which is caused by faulty workmanship on our part, we will repair the defect free of charge. This includes:

- Making good the defective area of workmanship, including labour and any replacement materials needed to complete the repair.
- Attending to inspect any reported defect within a reasonable time of it being reported to us, normally within 14 days, or sooner where water is entering the property.
- Repairs made under this guarantee are themselves covered for the remainder of the original ten year period.

2. What this guarantee does not cover

This guarantee applies to our workmanship only. It does not cover:

- Defects in materials themselves. Materials are covered by the manufacturer’s own warranty where one is offered, and we will help you to make a claim against it.
- Storm, gale, flood, lightning, fire, subsidence, or any other extreme weather or event beyond our control, including damage caused by wind speeds in excess of the design limits of the materials used.
- Damage caused by accident, neglect, misuse, vandalism, animals, plant growth, or by anyone walking on or working on the roof after we have finished.
- Alterations, repairs or work of any kind carried out on or near the guaranteed area by anyone other than Mounts Bay Roofing, including the fitting of aials, solar panels, flues, satellite dishes or scaffolding.
- Any part of the roof or building we did not work on, including existing roof coverings, timbers, chimneys, gutters, flashings or structure that were not part of the job, or any pre-existing condition we pointed out at the time of the work.
- Blocked gutters, downpipes, outlets or valleys, moss build-up, or any failure caused by a lack of routine maintenance (see section 4).
- Condensation, or problems arising from inadequate ventilation, insulation or internal moisture that are not a result of our workmanship.
- Natural weathering, discolouration, or minor movement or settlement of materials that does not affect the roof’s performance.
- Consequential loss, such as damage to contents, decoration, furnishings or loss of use of the property. You should keep your buildings and contents insurance in place.
- Work that has not been paid for in full.

3. How to make a claim

1. Contact us as soon as you notice a problem, and in any case within 14 days of first becoming aware of it. Delay can make a defect worse and may affect what we can cover.
2. Telephone 07803 479673 or email andrec6@icloud.com, quoting the guarantee number and completion date shown on your certificate.
3. Have your certificate and invoice available. Photographs of the problem are very helpful if it is safe to take them.
4. We will arrange to inspect the roof. If the defect is due to our workmanship, we will carry out the repair at no charge. If it is not, we will tell you why and, if you wish, provide a quotation for the work.
5. Please do not arrange for anyone else to repair the area before we have inspected it. Repairs by others will void this guarantee for that area.

4. Your responsibilities

To keep this guarantee valid we ask that you:

- Keep gutters, downpipes, outlets and valleys clear of leaves, moss and debris, and have the roof visually checked at least once a year, particularly after winter storms.
- Report any concerns to us promptly and allow us reasonable access to inspect and carry out repairs.
- Do not allow anyone to walk on, or carry out work to, the guaranteed area without speaking to us first.

5. General

- This guarantee begins on the date of completion shown on the certificate and runs for ten years from that date.
- It is provided to the customer named on the certificate. It may be transferred to a new owner of the property if you let us know in writing, and the new owner keeps the certificate and invoice.
- This guarantee is given in addition to, and does not affect, your statutory rights as a consumer under the Consumer Rights Act 2015.
- This guarantee is a personal undertaking by Mounts Bay Roofing and is not an insurance-backed guarantee. Insurance-backed cover can be arranged on request at additional cost.
- Our liability under this guarantee is limited to the repair of the defective workmanship. Nothing in this guarantee excludes liability for death or personal injury caused by our negligence.
- This guarantee is governed by the law of England and Wales.
